Groundwater Management Area # 9 Joint Planning Meeting

Monday, February 22, 2010 10:00 a.m.

Notice is given that one or more members of the Board of Directors and/or their designated representatives and/or Staff of the Blanco-Pedernales Groundwater Conservation District will attend a meeting of Groundwater Conservation Districts which are located within the State of Texas Groundwater Management Area #9 for purposes of discussing and/or conducting joint planning in compliance with the requirements of HB 1763, which was passed during the 2005 Texas Legislative Session. This meeting will be held at the **Upper Guadalupe River Authority Auditorium, located at 125 Lehmann Dr. Kerrville, Texas** on Monday, February 22, 2010 at 10:00 a.m. for the following purposes:

Agenda

1. Call to Order.
2. Introduction of Member District Representatives and other meeting attendees.
3. Discussion and possible action on proposed revisions to the DFC previously set for the Edwards Group of the Edwards-Trinity Aquifer by GMA 9 on August 29, 2008 as listed below. (For additional information, please see the background information sheet which will be posted on Friday, February 19, 2010 at www.blancocountygroundwater.org).
 - (a) The Edwards Group of the Edwards Trinity (Plateau) Aquifer in Kerr County - "allow for an average drawdown of 9 feet" (per TWDB Report dated 1/13/10).
 - (b) The Edwards Group of the Edwards Trinity (Plateau) Aquifer in Bandera and Kendall Counties shall be considered "Not Relevant" for GMA 9 planning purposes (per TWDB Report dated 1/13/10).
4. Public Hearing on the proposed revisions to the DFC previously set for the Edwards Group of the Edwards-Trinity Aquifer by GMA 9 on August 29, 2008.
5. GAM Runs 09-011, 09-012, and 09-024. (These runs are being processed by the TWDB at the time of this posting. TWDB Staff will discuss the GAM Runs under this agenda item).
6. Discussion of possibility and appropriateness of including all Trinity groundwater located in Medina County in the DFCs set for GMA 9, as opposed to having to set separate DFCs and calculate separate MAGs for both GMA 9 and GMA 10.
7. Set locations, dates, and times to hold proposed Public Meetings to receive public input on proposed DFCs and GAM Runs 09-011, 09-012, and 09-024.
8. Adjournment.
